MSW – GUARANTEED BY OZ

MSW is a legendary OZ brand, undisputed leader in auto and motorcycle racing, known around the world for the extremely high quality and technological content of its products.

1

5

DEDICATED UNIVERSAL DESIGN

Our vast and complete catalog allows you to choose from alloy wheels designed specifically for your vehicle (so they complement the aesthetic concepts set by the manufacturer while also improving its look) as well as from wheels with universal design.

2

A GLOBAL BRAND

MSW is distributed by OZ and can be found in more than 70 countries through a global network of qualified dealers, trained to ensure the utmost in responsive after-sales support and service.

6

ORIGINAL HUBCAP COMPATIBILITY

Most MSW alloy wheels are OE Cap Ready, in other words, they are designed and engineered to accommodate the manufacturer's original hubcap. Check with your local tire dealer to find which MSW alloy wheels can accept the hubcap for your car's make and model.

8

REASONS
TO CHOOSE

MSW
by OZ

3

COMPREHENSIVE QUALITY AND GUARANTEE

MSW wheels are developed, designed, manufactured and tested by OZ's own in-house engineers and designers. State-of-the-art production processes, combined with treatments and technologies developed exclusively by OZ, ensure products of unequalled quality and safety. MSW products are also covered by a statutory guarantee.

7

IN-STOCK SOLUTIONS FOR ALL VEHICLES

MSW has an extensive array of designs and applications to fit all vehicles – from compact city cars to station wagons, crossovers and large SUVs. MSW also makes a line dedicated to VANs, CAMPERs and PICK UPs with max load up to 1350 kg.

4

ALL PRODUCTS ARE CERTIFIED

To provide our consumers with the best possible product, we certify all of our wheels through the appropriate Italian and international agencies, obtaining the (NAD, UN/ECE 124, TÜV and JWL) certifications that allow the use of our alloy wheels in complete safety, in compliance with national laws in force, to avoid incurring violations and fines.

8

BEST VALUE FOR MONEY

MSW are known by industry professionals and consumers as the wheels with the best price-quality ratio in the marketplace.

OZ B2B WEBSHOP

A Simple and quick tool designed to help your business.
Select the car, check the wheels available, present the customer with the image of wheels fitted to the car, print an offer and order them in just one click.

- 1 Log in on the new OZ B2B Webshop and insert your username and password. (supplied by OZ)

- 2 Search by car or by wheel model.

- 3 Choose car's brand and model. You can also identify your customer's vehicle by entering the license plate directly.

- 4 Select the favourite wheel and show how it looks on the car. You can also find prices and availability here.

- 5 See the image and 3D animation of the wheel.

- 6 It is also possible to order merchandising items and original accessories.

- 7 Add the order to your basket and send it to OZ.

The new OZ B2B Webshop is PC and Tablet compatible.

The OZ B2B is active in selected markets internationally. Please check with your local distributor for details in your market.
